Whether you're preparing for a storm, packing for a trip, or getting ready for an event, I will help you and your family prepare for whatever life throws your way. ~ Cheryl Nelson

Over the past 20 years, Cheryl has had the privilege of working with numerous TV stations and organizations to elevate their brands. Comfortable on a world stage, Cheryl contributes to network TV programs and publications (such as Fox News and HuffPost), appears in national TV commercials, and is a keynote speaker at international trade shows. With a background in meteorology and communications, Cheryl has the pertinent skills to communicate scientific and technical information in a way that is both relatable and memorable.
